

PROUDLY EST. 2016

AMBLESIDE
DISTILLERS

We have taken *extra care* to create a menu that is both *full of flavour* and *innovation*, while also being as *sustainable* as possible.

We *source locally* where we can and *grow our own botanicals on site*, keeping packaging and waste to a minimum.

Fresh fruit used in our cocktails will be *used entirely*, from the *juice to the zest*, what isn't *shaken or stirred* will be kept for *garnishes, syrups, fermentation* and of course, for *distilling*.

We hope you enjoy our cocktails as much as we enjoy making them. Cheers!

Please note a 10% surcharge applies on public holidays, excluding any items available for purchase from the Distillery Shop.
