

AMBLESIDE DISTILLERS › SMALL ACRE, BIG SPIRIT.

EXPERIENCES & EVENTS

WELCOME TO OUR PLACE

Built on our family acreage in the heart of Hahndorf, Ambleside was built ‘from the garden up’. With an emphasis on locally sourced and homegrown botanicals that thrive in the Adelaide Hills, our spirits represent our family, our home and our passion for craft spirits.

Founded in 2016 by Matt, Trudy and Steve, Ambleside has since grown into one of South Australia’s most highly awarded and loved spirits brands. In late 2021, we expanded our production space to factor in future demand, and to diversify our offering with the installation of two Australian Made stills, a 970 litre Gin still and a 1250 litre Whisky still.

We’re a ‘big spirited’ family with character that shines through in our spirits, our packaging and our Distillery Door.

Cheers,
The Ambleside Family.
